

FOOD WASTE WORD SEARCH

Every day, millions of meals are eaten in schools across the UK - but sometimes food ends up in the bin. In fact, every year, 80,000 tonnes of food waste is produced by schools. The Wasteless Plate campaign from Dolce Schools Catering is helping pupils learn more about food waste and explore solutions to this industry-wide issue.

Can you find all the words hidden in the grid?

They all relate to food waste and cooking! The words may appear across, down or diagonally. Circle or highlight each word when you find it. See how many you can spot!
