

A vibrant space-themed poster for 'Space Day'. At the top, a large, cratered yellow planet (resembling the Moon) has a red banner across its center that reads 'SPACE DAY'. Below the banner, a yellow space helmet is positioned over a blue UFO-like shape with the text '1ST OCTOBER' in white. The background is a deep purple space filled with stars, a bright orange comet streak, a blue planet, and a red planet. On the left, a yellow rocket with orange boosters is launching. At the bottom, two astronauts in white suits are floating above a dark, cratered planet. A small green alien is visible on the left side of the bottom planet.
