

A vibrant space-themed poster for 'Space Day'. At the top, a large, cratered yellow planet (resembling the Moon) has a red banner wrapped around its middle that says 'SPACE DAY' in white, bold, sans-serif capital letters. Below the banner, a blue UFO with a yellow dome and a white light on its underside is positioned. A small black silhouette of a person is floating just below the UFO. The background is a deep purple and blue space filled with stars, a bright orange comet streak, a blue planet with a ring, and a large orange planet with swirling patterns. On the left, a yellow and orange rocket ship is launching upwards. At the bottom, two astronauts in white suits are floating in the air. One astronaut is on the left, and the other is on the right, both with their arms outstretched. A small green alien head with large eyes is visible on the left side of the bottom. The overall color palette is dominated by purples, blues, oranges, and yellows.

SPACE DAY

1ST OCTOBER
